	Human Resources	66	Cerius brought us the right executive quickly and offered great support through the assignment to the very end. - Pamela R., CEO
Healthcare	Sales	66	Couldn't be happier with where things are at. The Cerius Interim Executive is providing clarity to all and everyone is asking to work with him. He is a gem. - Dave J., VP Marketng & Sales
	Sales	66	Cerius delivered a performance-based professional that was always mindful of execution and results. The depth of experience and wisdom the interim executive had was invaluable and laid a strong foundation for us to further stimulate growth and profitability. - Kim N., CHRO
Manufacturing	General Manager	66	It has been extremely enlightening working with him. His clear insight and logical approach has clarified a very irrational situation. His operational expertise has made a forever lasting impact in our direction and approach; he has aimed us in the correct direction for success. His ability to assess our leadership and make corrections that we just overlooked has been a tremendous asset. - Enrico D., Strategic Leader
	Finance	66	Cerius was incredibly responsive and professional in this process, and they provided flexibility in the way we managed the transitionI have recommended Cerius to numerous CEOs with the same need. Cerius is a strategic solution for key functions. - BIII M., CEO
	President	66	[The interim] was the right choice so we could make the tough change in leadership. He helped us see the harsh realities of the state of the company and he pointed us to the road of recovery. - Diane I., Chairman
	Finance	66	The Cerius Interims were professional, diligent, and hard-working. They were helpful in getting us through a difficult transition phase and I would happily recommend them without reservation to any company in need of help. - Bob E., CEO
Technology	CFO/CIO	66	Both CFO and CIO had great backgrounds, great professional experience, very easy to work with, no hand holding, very professional and really had a goal and got it done.
	Marketing	66	It was the best way to jump start our marketing activities – with the skills and experience to be productive immediately. It was low risk. We had a lot of flexibility because it was not an employee hire.
Construction	Human Resources	66	Talent gaps exist in every organization; however, the most difficult gaps to cover are at the top management and executive levels. Cerius Executives has helped our company close those gaps with interim leaders who have sustained our rapid growth. I have been on both sides of the equation: I worked as an interim executive and used an interim executive to help accelerate our initiatives. Using Cerius Executives has resulted in our company making better hires and achieving our initiatives much more

quickly.
